*“We are extremely grateful for the care, comfort, laughter, prayers, singing and company given to “Mamaw” and “Papaw” during her Journey to Heaven. It takes special, compassionate people to do what you do each and every day! We loved you all and will never forget you!”*

*“Thank you so much to all of the Hospice Team who lovingly, tenderly showed my husband such kindness, patience, dignity and respect, and likewise the same kindness and respect to me (his wife). A very big thanks and hug to everyone involved in Hospice . . . Truly Earthly Angels guided by the heart and hand of God to provide hope, comfort, dignity, respect, a variable of helpful resources so desperately needed when a person is at their lowest points physically, emotionally, financially, etc. Thank you for all your help and professionalism.”*

*“I wanted to send you a proper thank you card for all the excellent care you gave our precious mother during the last days of her life here in my home. Please know that we came to love and appreciate all of you who not only gave “hands on” care, but those who came and loved us and gave emotional support as well. My sister and I would be afraid to express our appreciation to each of you by name lest we forget someone. Thanks for making Mom as comfortable as possible under the circumstances. All of you are our dear friends we will never forget.”*

*“The family wish to tell you all how very special you have been to Mom and each of us during Mom’s last days. Our very personal experiences with y’all have meant so much to us. The gentle caring and expressions of love will long be remembered. God certainly has placed a special calling within the heart of each of you. Christ was certainly seen and felt as we enjoyed our Mom until Jesus was ready to give her real life with peace and joy unspeakable!”*

*“Thank you so very much for your tender care and compassion in taking care of my mother and for the sweet words, thoughts and encouragement in the card that you sent. A very special thank you to Trista, Susan, Jeanne for their care and concern, to Lisa for being there after Mom’s death with her love and encouraging words and to Juan for his blessing of love and prayer with Mom and I. She smiled as he held her hand and prayed for her to receive God’s peace. Thank you, again. You are definitely angels from God.”*

*“We have been blessed by your group guiding us through the very complex needs of our mother. We appreciate all you did to comfort her in her last days and walking with us through this. Your information and support was so helpful. We have to tell you that the ministry of Chaplain Bob was so uplifting to her as we heard she was “tapping her fingers” to the beat and it was a tremendous blessing to her to hear the spiritual songs and blessings of the hymns.”*

*“Thank you Hospice family for easing our hurt in the passing of our beloved Mother.”*

*“To All My Hospice Friends: Thank you for all your helpfulness and care during Rick’s illness. I truly don’t know what I would have done without you! May God bless you for your work and care of others.”*
